17th Judicial District Treatment Court Mission Statement

The mission of the 17th Judicial District Treatment Court is to reduce recidivism by facilitating treatment and rehabilitation and to provide increased supervision to criminal substance abusers, as opposed to simply warehousing them. The goal is to return clean and sober individuals to the community with an improved quality of life who are better equipped to maintain their sobriety, thereby having a positive impact on and improving the community as a whole.

Welcome to the 17th Judicial District Treatment Court

The Treatment Court is committed to assisting with early intervention, treatment and rehabilitation of non-violent offenders with substance abuse problems. It is a great opportunity for those who wish to change the circumstances in their lives and break the cycle of drug dependency.

This handbook will provide complete information about the Treatment Court Program and what is expected of you as a participant. **Do not lose this book!** You must take it with you to all meetings, treatment sessions, case management appointments and court dates. We also encourage you to share this handbook with your family and friends for support and encouragement.

We hope to see positive changes in your life as a result of your dedication to completing the Treatment Court Program. The Treatment Court Team is committed to providing you with support and encouragement as you earn your way to a clean and sober life through Treatment Court.

Program Description

The Treatment Court is a highly structured program that combines drug rehabilitation and supportive services through court supervision.

Offenders with substance abuse problems can receive the help they need to overcome their addiction while under the strict supervision of the Treatment Court Judge. Treatment Court is unique because it represents a much closer working union between treatment and the criminal justice system than what is traditionally seen in the criminal courts.

The end result is a greater likelihood that offenders will remain drug-free and become productive members of society, while avoiding further contacts with the criminal justice system.

Benefits of the Treatment Court Program

When you successfully complete Treatment Court, you will obtain the following rewards:

- You will be clean and sober
- You will have more job and education opportunities
- You will have better relationships with family and friends
- You will have a better understanding of yourself
- You will have a positive outlook on life

Rules and Regulations

1. Each treatment program has different rules and regulations, and you agree to follow them as directed by the treatment program staff. Each program has its own set days/hours of operation and program length and you must attend as prescribed. Some of the inpatient programs require that a client be on a blackout period that does not allow him/her to use the telephone, receive mail/electronic communications, or accept visitors for a specified period of time. If you fail to follow the program rules and attend all sessions as required, you will be sanctioned.

2. You are required to actively participate in the treatment program and take the necessary steps to maintain abstinence from drugs and alcohol, including prescription narcotics and sedatives, unless ordered by a physician and approved by the Treatment Court Team. This also includes attendance at self-help meetings.

3. The 17th Judicial District Treatment Court will determine when you have successfully completed treatment. Treatment may include being placed in various levels of care including Residential, Intensive Outpatient, and Outpatient as prescribed by the Treatment Court Clinical Evaluator (CMSU). The Treatment Court program will take at least one (1) year to complete and in some cases may extend beyond the one (1) year minimum. Minimum and maximum treatment lengths are clinical determinations made by the Treatment Court Clinical Evaluator (CMSU).

4. Upon admission to Treatment Court, you must sign a release of information form for the 17th Judicial District, CMSU, the adult probation office, your treatment provider and your funding source. This will permit the treatment program to exchange information with your Treatment Court Team regarding your progress, attendance, and drug-screening results.
5. If you are referred to an outpatient program, you may be required to live in alternative housing. If the Treatment Court Team determines that your housing plans are a detriment to your recovery, or if you have nowhere to reside, alternative housing will be arranged for you as a requirement for participation in Treatment Court. Failure to reside in approved housing will result in your being sanctioned.
6. You must notify your case manager and probation officer of any new arrest or police contact within 24 hours of the arrest/police contact. Failure to do so is a violation of Treatment Court rules and may result in a sanction.
7. You must obtain government-issued photo identification (i.e. non-drivers license picture identification) within 30 days of entering treatment. Failure to do so is a violation of Treatment Court rules and may result in a sanction.
8. **YOU ARE NOT PERMITTED TO POSSESS OR CONSUME ANY ALCOHOLIC BEVERAGES. YOU ARE NOT PERMITTED TO ENTER ESTABLISHMENTS**

THAT PROVIDE ALCOHOL UNLESS GIVEN PRIOR APPROVAL BY THE
TREATMENT COURT JUDGE.

9. You can only take medication that does not contain alcohol, does not contain narcotics, is not addictive and will not show up positive on a urine drug screen. The use of any other medication must be reviewed with the Treatment Court Team prior to beginning use of the medication.
10. You are not permitted to travel out of Pennsylvania without the permission of the Treatment Court Judge. Further, you are not permitted any overnight trips outside of Snyder/Union Counties, without first obtaining permission from your probation officer.
11. You will abstain from the possession, use, or sale of narcotics and dangerous drugs. You shall not use, possess, or ingest any mind-altering substances including, but not limited to: synthetic cannabinoids, bath salts, inhalants, or over-the-counter medications.
12. Sexual conduct/communication of any type (physical, verbal, electronic, written) directed at Treatment Court team members or other Treatment Court participants is not permitted. Acts of sexual conduct/communication will be reported to the Treatment Court Team. Violation of this rule is grounds for dismissal from Treatment Court.

Court/Judicial Supervision

You will be required to appear regularly in Treatment Court to discuss and review your progress.

The Treatment Court Judge will encourage and reward you when you are doing well in the program. The Treatment Court Judge will discuss any infractions that have occurred and will impose sanctions/orders if you are not doing well.

If you cannot make your court date, you MUST call your probation officer and/or the Treatment Court Coordinator as soon as possible and explain why you cannot attend the court date. If you do not come to court, the Treatment Court Judge may issue a Bench Warrant for your arrest.

Services Provided

The Treatment Court will refer you to treatment providers for the following services:

- Substance abuse assessments
- Detox, inpatient or outpatient treatment
- Individual counseling
- Group counseling
- Recovery support group
- Drug/alcohol testing

The Treatment Court will also provide you with a case manager and probation officer to provide the following services:

- Employment counseling
- Training referrals
- Education and literacy assistance
- Referrals for health care services
- Alternative housing services and/or placements

Note: All phases can be extended for violation of program rules. Treatment Court participants can be moved back in Phase for violation of program rules.

Graduation

When you have successfully completed the Treatment Court Program, you will be scheduled for graduation. In order to graduate from Treatment Court you must:

- be treatment compliant
- have stable housing
- have all pending legal matters resolved
- have employment or viable source of income
- be compliant with drug/alcohol testing procedures
- submit graduation application

Before you graduate, you will write a graduation speech and prepare an aftercare plan stating how you intend to maintain your sobriety after graduation. Your aftercare plan and speech will be presented to the Treatment Court Judge on graduation day.

At the graduation ceremony, the Treatment Court Judge will present you with a certificate of completion of the Treatment Court and will recognize your excellent accomplishments. Your family and friends are invited to attend your graduation. Upon graduation from the program you will begin the aftercare phase of the program.

Rewards

Treatment Court participants will be eligible to receive rewards for compliance with program rules. Attendance at counseling, case management appointments, probation appointments, status hearings, community service work assignments, and meeting other program goals will create opportunities to receive rewards.

The Court will recognize the 100% Club on a weekly basis. Membership in the 100% Club will be dictated by perfect attendance at mandated meetings, counseling appointments, community service assignments, case management appointments, probation appointments, and other scheduled meetings. Participants will be required to pass all drug testing requirements. Perfect compliance with program rules on a week to week basis will enable participants to pull a popsicle stick from a bowl/basket. Sticks will be marked with inspirational quotes as well as other markings that will dictate the opportunity to receive additional rewards.

At the end of each month, participants who have 100% compliance with all program rules will have their names placed into a basket for a drawing to be completed by the Treatment Court Judge, with the opportunity for an additional reward for compliance with program rules.

7. Community service hours will be tracked on time sheets provided by the supervising probation officer.
8. All Treatment Court participants will be required to participate in any special/annual community service projects as deemed appropriate by the Treatment Court Judge.

Dismissal from Treatment Court

You can be dismissed from Treatment Court for violation of program rules including, but not limited to new offenses, technical violations, continued drug/alcohol use, attempting to circumvent drug testing procedures and failure to successfully complete treatment. Every effort will be made to meet your treatment/program needs thereby limiting the potential for dismissal from Treatment Court.

If it is recommended that you be dismissed from Treatment Court, you will be informed of this decision by the Treatment Court Judge during a regularly scheduled Status Hearing. If not already in custody, you may be detained in the county jail with the filing of a detainer against you by your supervising probation officer. A petition to revoke your Intermediate Punishment sentence will then be filed with the Court. Appropriate Gagnon I and Gagnon II Hearings will be scheduled. Upon program violations being confirmed at a Gagnon II Hearing, a new sentence will be imposed.
