Note: Write separate checks to Cons. District for E&S plan review fee and for NPDES permit

Procedures:

1. This fee schedule shall apply to those plans that are submitted to the Union County Conservation District (UCCD) requesting determination of Erosion & Sedimentation plan control adequacy.
2. **All applications that require NPDES permits must submit three checks: One for review/approval of the E&SPC plan made payable to the Union County Conservation District, the other for NPDES permit application made payable to UCCD/Clean Water Fund, the third one for the disturbed acre fee made payable to the Commonwealth of Pa.-DEP.**
3. Each submission of a different project on the same tract of land will be charged according to the fee schedule.
4. Agricultural plowing and tilling is exempt from the fee schedule.
5. Fees will be waived for an application filed under the name of the Commonwealth of Pennsylvania or a governmental subunit of the same.

National Pollution Discharge Elimination System (NPDES) (Effective Nov. 19, 2010)

1. The Commonwealth of Pennsylvania through mandate from Federal Law now requires a fee for construction activities based on the disturbed acreage of a project. These fees are based on the following criteria:

<u>NPDES Permit Criteria</u>	<u>Permit Required</u>	<u>Fee</u>	<u>Disturbed acre fee</u>
>1 acre	NPDES Phase II General Permit	\$500	\$100/acre
>1 acre and in High Quality or Exceptional Value watersheds, or if the project will discharge toxins, or if the project may affect water quality standards or threatened or endangered species and habitat	NPDES Individual permit	\$1500	\$100/acre
